“We’re Pulling for You”

Lincoln, & Minidoka, & Jerome...Oh My!

Three pulls have occurred since our July Newsletter went to print. Results for Minidoka and Jerome are published on the following pages. As of this time results for the Lincoln Co. Fair pull in Shoshone have not been received. Both the Minidoka and Jerome County Fairs were well attended. Thank you to all for making these pulls successful. Especially to Challis Bishop and Pat Heath for announcing at Jerome and Minidoka respectively. As usual there were plenty of hands to help run sleds and work the track.

August Meeting Change!

Due to ongoing construction and limited access from Hwy 93 or meeting location for August will be moved to the lawn at the I-FARM. Bring a lawn chair and something to drink. We’ll be covering our upcoming display and pull at Twin Falls, and recap our last few pulls.

At Minidoka we had just enough under 30' to run a sled crew and grade the track. That was a neat to see. There were several father/son and uncle/nephew pull-offs. The “Old Guys” claimed victory with most of the wins.

Both Jerome and Minidoka had close to 30 hooks each. We had enough turnout that we ran tandem sleds at Jerome. It kept things moving which was great for the audience.
